

THARPTOWN

BAPTIST CHURCH

Bulletin

Covid-19 Tharptown Update

With the current rise in cases in Franklin County, we are taking CDC recommendations and precautions on hosting Sunday Morning Services.

We will have 2 indoor worship services. The first service will be at 9:00, and the second service will be at 10:30. Each service will last about 45 minutes. We will be assigning each family a service to attend in order to maintain the proper social distancing. Your service time assignment is posted on the Tharptown.com website. If you are assigned the 10:30 service, we ask that you do NOT come into the sanctuary before 10:15, in order to give us enough time to sanitize and clear out the sanctuary. For the members who are unable to attend, video service links will be posted following the second service. While there is still an exception for churches, **we as a church leadership highly recommend that everyone wear a mask.** There will be mask available in the church foyer for anyone who does not have one.

Our children are of great concern for us and until we can all meet together again; we will not have nursery or children's church. The nursery will be open as a cry room and changing station.

We have begun meeting for Wednesday Night Services at 6 p.m. Students meet in the Youth room, College and Young Adults meet in the Tea room, Adults in the Fellowship Hall and Children will meet in the Sanctuary. We will not be having Wednesday night meals.

Student Ministry

Testimony night has moved to a later date in August.

Remember, you can keep up with all updates and upcoming events by following us on Instagram @tharptownstudents and by clicking on Student Ministry on the Tharptown.com website.
