Special Prayer Request

We would like to thank you for your prayers for Ashleigh as she prepares to serve the IMB. During this unprecedented COVID time, many changes have occurred in her plans to move. She will be leaving October 3rd for two years to serve in the Middle East. Our family has been blessed with a strong prayer support. We couldn't do this journey without you. So many people have been seed planters in Ashleigh's life. Now she answers the call to serve where she will continue planting more seeds. We ask that you please continue to pray for her safety as she travels and during her stay. We ask that you pray for the hearts of the people so they can hear and accept the gospel. We pray for the health of her team as they serve during this difficult season. While this will be hard on our family, we truly support her calling and thank you for being our encouragers and prayer partners. For Ashleigh's safety- we are not allowed to put anything on social media and ask that you not either. We thank you for helping us in this.
